

Sanquin Research alumni event

To celebrate Sanquin's 25th anniversary, Sanquin Research will organize an alumni event on Friday 16 June 2023.

After an entertaining scientific program, we offer a buffet style dinner and a party in our inner gardens.

We invite all employees who worked or work at Sanquin Research, CLB or Dutch (regional) blood bank research departments to join us for this scientific reunion.

Programme

12:30 Registration

13:00 Symposium "Past and present"

17:00 Drinks and nibbles

18:00 Buffet and party (until ca 22:00 hrs)

Photography
Carmen van der Zwaan
& Floris van Alphen

Venue
Sanquin HQ Amsterdam
